

19 July 1974

MEMORANDUM FOR: Deputy Director for Management and Services  
SUBJECT : Weekly Report of Significant Activities  
REFERENCE : DD/M&S Administrative Instruction No. 73-4,  
dated 11 April 1973

As requested, following is a report of significant activities for this office for the preceding week. (Also included, as requested, is an item for consideration for inclusion in the Black Book for the DDCI covering his absence 15-19 July.)

1. For DDCI Black Book: OMS Psychologist's ROC Lecture on Aircraft Carrier Videotaped

25X1A

[REDACTED] psychologist in the OMS Psychological Services Staff, on 17 July was invited aboard the USN aircraft carrier USS Independence at Norfolk to videotape a Risk of Capture lecture for the briefing of pilots flying in the Mediterranean area.

2. Director of Medical Services yesterday briefed Mr. McMahon, the newly designated ADD/M&S.

25X1A

3. As a result of a meeting of Psychiatric Staff representatives (C/PS and [REDACTED] a PS consultant) with representatives of the [REDACTED] branch of the Central Reference Service, a new procedure for providing PS consultation to CRS in their productions is being tried: three draft biographic studies of national leaders of the [REDACTED] will be made available to PS for PS input. This effort will be evaluated in October for its usefulness.
